

REMARKS

In the Notice to File Missing Parts of Non-Provisional Application of July 6, 2004, Applicants were informed that their Figure 7 appeared to have been omitted from the application. In fact, Applicants' "Fig. 7" had been improperly labeled as "Fig. 8" as originally filed. This is reflected in the specification at page 7, lines 6-12, which includes a brief description of Figure 7. There is no discussion of any Figure 8.

Applicants enclose herewith a redline version of this figure as originally filed, changing the improper "Fig. 8" label to "Fig. 7A" and "Fig. 7B." A clean copy of the new formal drawing is also enclosed herewith. Support for this amendment may be found in the specification at page 7, lines 6-12, as noted above. Applicants therefore respectfully request examination and an action on the merits.

Applicants believe that the foregoing amendments place the application in condition for allowance, and a favorable action is respectfully requested. If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is requested to call the undersigned attorney at the Los Angeles telephone number (213) 488-7100 to discuss the steps necessary for placing the application in condition for allowance should the Examiner believe that such a telephone conference would advance prosecution of the application.

Respectfully submitted,
PILLSBURY WINTHROP LLP
